

Welcome To Medicine Hat BMX Club

The Medicine Hat BMX Club is a 100% Canadian non-profit organization. Organized and run by volunteers dedicated to providing children and adults in Medicine Hat and surrounding area a high-quality level of local, provincial, and national sport involvement. We are sanctioned by the Canadian Cycling Association and operate under their rules and guidelines.

BMX in short stands for Bicycle Motocross. BMX is bicycle racing around a dirt track against other riders. You race against riders of the same age and skill level.

Racing starts from an elevated starting gate where up to 8 riders leave at the same time. Riders sprint around a track consisting of a variety of dirt obstacles, banked corners and sprint sections. Races are about 1200 feet in length and you race 3 motos (heats) per event to qualify for the main event (final races) assuming there are more than 8 riders in your corresponding class.

BMX Racing is an extreme sport that can be enjoyed by the whole family. In BMX, every rider gets to participate and compete. No one sits on the bench, and no one gets cut from the team. Our friendly and supportive environment builds individual character and confidence through healthy competition and cooperation among the riders.

The Medicine Hat BMX track is located at 251 Rotary Centennial Drive NW. This is directly North of the Big Marble Go Center and Methanex Bowl. Racing schedule may change depending on availability of volunteers.
